

To Andrew, Western is about helping to build for future students and a place for his son to build a future for himself.

I go to Western

... to help build our future!

With 15 major construction projects worth \$250 million scheduled over the next few years, Western will soon have new research facilities, better classrooms, and more public spaces. Every year, we add \$1.5 billion to the local economy – resulting in new jobs, emerging start-up companies, and numerous conferences. In addition, our WEstern BUYs program ensures more local companies are doing business with Western.

Western has been contributing to the economic, social and cultural well-being of London since 1878. To learn more, please visit www.community.uwo.ca or call 519-661-2111 (80229).

*The University of
Western Ontario*

A commitment to our community is just one thing that helps make Western CANADA'S BEST STUDENT EXPERIENCE.
